## EXPERIENCE

10/2021 – 1/2025

### Kitchen Hand • Newy Fried Chicken • Newcastle, NSW

Managed order processing in a high-pressure, fast-paced environment. Demonstrated strong time-management and prioritization skills by preparing, cooking, and serving food within deadlines. Maintained cleanliness and organisation of workspaces, adhering to WHS standards.

9/2023 – 12/2023

### Outback Breakout • Game Development Experience at AIE

Developed comprehensive administrative documentation to support the game development process. Collaborated closely with artists to ensure alignment on creative and technical objectives. Leveraged project management expertise, C# programming skills, and proficiency in Unity to drive development efforts. Actively contributed to team discussions, providing input on strategic direction and project vision.

6/2024 - 7/2024 (*Hunker Down*) | 8/2024 – 12/2024 (*DDOS*)

### *Hunker Down* | *DDOS* • Dual Game Development Experiences at AIE

Demonstrated analytical skills to streamline processes and enhance user experience. Conducted technical optimisations such as performance tuning, removal of redundant components, and ensuring efficiency. Engineered dynamic systems to ensure functionality. Collaborated across teams to identify and resolve challenges, ensuring project alignment with user needs.

## EDUCATION
